Town Clerk: Mrs. L. Phillips

To: Members of Louth Town Council From: Town Clerk
Date: 30th March 2021 Subject: Report for 033021AG TC Re. Future Meetings

Future Meetings of the Council

Council to note that NALC has been unable to get confirmation from the Government, so far, that the legislation allowing remote meetings will be extended either temporarily or permanently beyond 6th May 2021. However, as the Government's roadmap out of lockdown does not provide for indoor meetings of more than two households before 21st June, social distancing may still be recommended, and ACRE have advised that village halls may not be able to open until 17th May with limited capacity. Therefore, it is unlikely that face to face meetings will be able to take place before at least 21st June. Council to consider:

1. **Face to Face Meetings** – *To resolve that a return to face to face meetings should be instigated as soon as legislation requires and arrangements can be made to satisfy government recommendations and the Council's obligations as an employer, relating to Covid-19 such as social distancing, cleaning, checking attendees.* Council to note that meetings should be open to the public and the Council is unable to turn public away if they wish to sit in on a meeting (unless the Council is in closed session). Risk assessments and research undertaken in the Court Room indicate that if 2m social distancing is observed 13 Cllrs and 2 staff could be accommodated at any one time. Observing 1m social distancing 21 Cllrs and 2 staff could be accommodated. Please note, this does not account for members of the public. Therefore, a reduction in the number of members on committees may be required. For full Council meetings in particular the hiring of another venue may need to be looked into.
2. **Zoom Subscription** – *To approve renewal of the Council's annual subscription to Zoom through LALC.* Cost will depend on the number of Council's renewing. Current subscription ends on 22nd April 2021. Cost in 2020/21 was £65.33.
3. **Annual Council Meeting** – This is currently scheduled to take place on 18th May and must take place in May according to Standing Orders and the LGA 1972 Sch. 12. *Council to resolve that should the legislation allowing remote meetings not be extended before 29th April the Annual Council Meeting be brought forward to Thursday 6th May to allow it to take place by Zoom in May.*
4. **Annual Town Meeting** – This is currently scheduled to take place on 20th April 2021 from 6pm. *Council to resolve that this be held by zoom and as usual those organisations who received a grant will be invited to attend to give presentations.* The meeting will be publicised and residents will be able to apply to join the meeting. Zoom can accommodate a maximum of 100 participants and so pre-registration will be limited to this number on a first come first served basis. Council to note that this meeting must take place by 1st June, as set out in the LGA 1972, Sch 12.
5. **Contingency Planning** – *Council to resolve that where delegated authority is already given to the Town Clerk this also be extended to the Town Clerk's Assistant and that the Town Clerk and her Assistant also be given delegated authority for the period commencing 7th May 2021 and finishing no longer than 2 months later (notwithstanding relative Government legislation or medical/relevant body advice or best/safe practice) in consultation with the Mayor and Deputy Mayor or the Chairman / Vice Chairman of the respective substantive committees (i.e. Planning, Governance and Finance, Community Resources and Personnel) to undertake day to day, additional and decisive duties (wherever possible and within legal constraints and with the best intentions of public safety and to promote infection control) in order to minimise disruption to service provision and ensure business continuity.*

Recommendations: That the above report be noted and that each of the proposals within the 5 sections above be supported. Cllrs. to email the clerk with any scenarios/solutions re. returning to face to face meetings for consideration under delegated authority.

Date: 30th March 2021 Subject: Report for 033021AG TC Re. All Weather Astro turf Pitch,
London Road

Further to recent emails circulated from Magna Vitae on progress of the replacement of the above, Council to consider whether as the project is of significant local importance it would like to discuss how the council could assist in strengthening its partnership with Magna Vitae and together, serving the immediate local population.

Magna Vitae suggest that Town Council assistance possibilities are:

- There are smaller elements of the pitch development project that financial assistance from the Town Council could assist with; some additional site fencing as an example.
- The Project Management of the pitch replacement, whilst already in place, itself could be facilitated via Town Council input / involvement / contribution.
- Sports Equipment used by the local clubs is always under review e.g. Goalposts, corner flags, other equipment. This would look fantastic on the new pitch but is not built into the project budget.
- Work Experience / Apprentices – a contribution to the employment of a young person(s) (Leisure Attendant(s)) on site which will help facilitate future site sustainability and provide opportunity for the education & development of a local young person(s).

Transition Town Louth

24th February 2021

Dear Louth Town Councillors

Louth's Best-loved Tree 'competition'

We are keen to identify and promote the beautiful trees we are fortunate enough to have in Louth through a community 'competition' for Louth's Best-loved Tree – and we would like to request the support and co-operation of Louth Town Council to make it a community success. We would be very happy if it could turn out to do something for trees in Louth as the Lovely Louth 2020 floral competition did for the beautiful gardens in Louth.

We are Transition Town Louth (TTL), a group promoting sustainable living, which has managed to keep going through the lockdown by meeting on Zoom. We have been looking for a community activity that people can get engaged in while also promoting local trees in some way. If we haven't particularly noticed certain trees before this competition, we hope that a lot of us will be more familiar with them afterwards, and in the longer term be more open to caring for them, perhaps even planting some, and all the while to have fun along the way. It could also be a small way to lift our spirits this year.

The proposal is that residents and visitors to Louth be invited to submit a photograph or painting/drawing of their chosen tree along with some sort of caption or narrative (poem, account of why the tree was chosen, or its natural history). We propose uploading all nominations to the internet and have two judges who will select a short-list of six trees which the Louth Leader will publish. There will be a second step of community involvement when the Leader asks the public to vote for one of the six, through some sort of online voting process (probably email). There can be a ceremonial event for the winning tree which could receive a plaque 'Louth's Best-loved Tree 2021', and the photographer/artist will receive a special certificate.

As our aim is to promote awareness of trees in and around the town, we already have the support of the Louth Leader. But we would also like to invite the Town Council to join us. We think LTC has a unique position in the community and would lend weight to the initiative. We are currently aiming to launch mid-April with a submission deadline of the end of May.

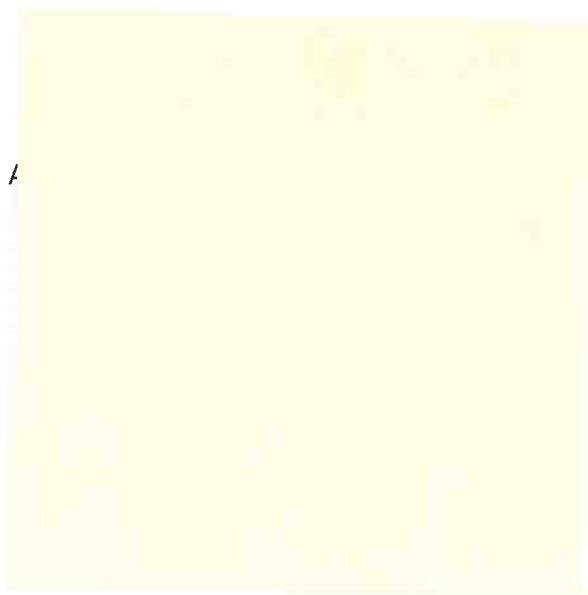

We would be very grateful if you could raise this initiative at your next council meeting, to gauge interest. Hoping the council will react positively, and because we need to move the

plans forward, we have taken the liberty of listing some of the major points below that we hope you might be able to work with us on.

- 1) Would LTC be happy to be part of the group promoting the competition, with Transition Town Louth and the Louth Leader?
- 2) Could your website publicise the launch and the final winning tree? The Leader will take photos. This will be in addition to publicity in the Leader, the TTL website and social media.
- 3) We would like to invite LTC to provide one of the judges – perhaps a representative of the Hubbard's Hills Trust because of its experience with trees?
- 4) Would the Mayor be able to present the plaque to the 'winning' tree, and certificate to the person who nominated it? The Leader will publish a little article and pictures.
- 5) If you have any advice from your experience of running the garden competition, or what sort of plaque might be best to put by a tree, etc. we would be grateful to receive it.

We believe this competition would be beneficial not only in increasing people's awareness of, and connection with nature in Louth, but it could also encourage physical exercise, inspire creativity, contribute to mental wellbeing, and bring people together in some small, socially distanced way.

We thank you for your consideration and look forward to your response.

Active Travel Fund – your views

The Department for Transport has awarded Lincolnshire £645,000 as part of their Active Travel Fund, for projects that help encourage walking and cycling across the county.

Lincolnshire County Council is seeking the views of local residents, businesses and organisations on the prospective schemes below. Our survey is open from Wednesday 17 March until Sunday 16 May 2021; complete the survey now
<https://snaps.lincolnshire.gov.uk/snapwebhost/s.asp?k=161555034981>.

If they are supported by the public, each of the schemes will initially be temporary for between a year and 18 months. After this time a decision will be made after further engagement with local residents and organisations whether to maintain them.

Boston east-west cycling corridor

This proposed scheme will create a traffic-free corridor along a section of West Street.

West Street will be closed to all vehicles from the junction of James Street to Rosegarth Street. Pedestrians and cyclists will still be able to access this section of West Street. The junction of George Street and West Street will also be closed.

It is hoped this scheme will provide an easier cycling and walking corridor across Boston as well as allow traders on West Street more outdoor space.

The closure will be implemented by using temporary infrastructure such as traffic planters.

The scheme will initially be temporary for between a year and 18 months. After this time a decision will be made after further engagement with local residents and organisations whether to maintain it.

Grantham active travel zone

This proposed scheme will create improved cycling and pedestrian facilities in Grantham by implementing the following:

- Allow more space for pedestrians and create a dedicated cycling lane by introducing a one-way system southbound on High Street/Watergate from the junction of North Street to St Peter's Hill, and reducing it from two lanes to one southbound between St Peter's Hill to the junction of the A52.
- Introduce a one-way system northbound on Westgate from the junction of Dysart Road to the junction of Conduit Lane. Remove on-street parking from one side of the street on Westgate. This will provide an opportunity for increased outdoor trading and improved pedestrian and cycling space.
- The closure of both Marketplace and Guildhall Street to through-traffic.

All closures and provision will be implemented by using high quality temporary infrastructure such as traffic planters.

The scheme will initially be temporary for between a year and 18 months. After this time a decision will be made after further engagement with local residents and organisations whether to maintain it, or elements of it.

Lincoln and North Hykeham Newark Road cycle lane protection and speed reduction

This proposed scheme will see protection introduced to the existing on-road sections of the cycle lane on Newark Road between The Plough Pub in Bracebridge Heath and Ascot Way in North Hykeham.

This protection will be in the form of on-road dividers that create a partial physical barrier between cyclists and traffic.

Driveway and bus stop access will be maintained along the length of the route and the protection will only be implemented for the on-road sections, not the shared use pedestrian/cycle paths.

In addition a 30mph speed limit is proposed from the junction of Rookery Lane to Roman Way.

The scheme will initially be temporary for between a year and 18 months. After this time a decision will be made after further engagement with local residents and organisations whether to maintain it, or elements of it.

Louth active town centre

This proposed scheme will see three measures implemented:

- The total closure of Cornmarket to all motor traffic and the removal of all on-street parking. This would apply from the junctions of Mercer Row to Market Place and would provide dedicated space for pedestrians and cyclists, as well as creating outdoor opportunities for traders and hospitality.
- The closures of Burnt Hill Lane at the junction of Queen Street, and the closure of Aswell Street at the junction of Kidgate. This would provide an improved north/south link for pedestrians and cyclists in a safe traffic free environment.
- The restriction of parking on Mercer Row from the junction with Upgate to the junction with Market Place. This would provide the opportunity to improve the area for pedestrian and cyclist flow.

A 20mph speed limit is also proposed to complement the above measures.

All closures and provision will be implemented by using high quality temporary infrastructure such as traffic planters.

The scheme will initially be temporary for between a year and 18 months. After this time a decision will be made after further engagement with local residents and organisations whether to maintain it, or elements of it.

Louth Town Council

MEDIA POLICY

Aims: Louth Town Council aims to build and maintain a positive reputation and will have a proactive approach to dealing with the media with enquiries being dealt with, wherever possible, within two working days. This approach will ensure an open and transparent approach which is helpful to the media and is positive and honest.

Objectives: 1) To improve residents' understanding of the work of the Council and to provide public information. 2) To enhance the reputation of Louth Town Council by promoting and celebrating success and the achievements of the Council and its partners. 3) To ensure a co-ordinated response from a single point of communication, the Town Clerk (or her assistant in her absence). 4) Reduce the risk of negative publicity resulting from non-response to enquiries. 5) To defend the Council from unfounded criticism by ensuring the public are properly informed of all relevant facts. 6) Adhere to the Code of Recommended Practice on Local Authority publicity.

Roles and Responsibilities: The Council's policy is to deal with all media enquiries centrally through the Town Clerk. This will ensure that a consistent message is given. Any statements given by the Town Clerk must not be party political.

Meeting Privacy: The press is free to attend all meetings, except for any part which is in Closed Session. Recordings are taken of each meeting by the Town Clerk. Councillors and the press are permitted to record meetings (unless Closed Session), but it is courteous to inform the Town Clerk if a person wishes to independently record it. All matters discussed in Closed Session during Council Meetings must remain confidential and should not be leaked in any form to the media. If notes are taken during Closed Session these should be left behind (face to face meetings) and all pink papers handed in. In online conferencing meetings, notes taken during Closed Sessions should be immediately shredded and any pink papers either shredded if printed or removed from your device if in electronic file format. When meeting online, please ensure that no other person can either hear or see your screen during Closed Sessions items. In both types of meetings, mobile phones and any type of recording device must be switched off during Closed Session items.

Disciplinary action will be considered if Councillors are found to have "leaked" any confidential information.

Press, Radio and Television Interviews: All elected members should be sensitive to the fact that they are perceived to be speaking on behalf of the Council. If Councillors are making comments or statements that are not in accordance with Council Policy, they should make it clear that it is their own personal view and not that of the Council's. This being the case they should not use the prefix of Councillor. Out of courtesy, the Town Clerk should be informed of any radio or television interviews/statements/comments made by Councillors so that she can be aware of the situation.

Management of Negative Publicity: It is important that this is done well and points adhered to. Inaccurate reporting in the media should be discussed by the Town Clerk and the Mayor (along with those Councillors invited to give their views where appropriate) before a course of action is decided on. Any press statement will be written by the Town Clerk.

Social Media: Louth Town Council has its own Facebook page. Any official information or statements regarding the Council will be posted on that page. Councillors and staff should remember that all social media sites are a public forum and that they are personally responsible for the content published. It must be made clear by Councillors that any comments or statements they make (unless quoting council policy) are their own personal views and not that of the Council. This being the case they should not use the prefix of Councillor. No defamatory, derogatory or offensive comments should be posted on the internet about colleagues or matters which have come in front of the Council. Anyone acting in contravention of this protocol may be subject to misconduct and disciplinary action.

Equal Opportunities and Diversity: These must be respected and adhered to at all times, when dealing with any form of media. The Town Council shall not publish any material which in whole, or in part, appears to be designed to support a political party.

Embargoes: To be used where deemed necessary and, all press releases should carry the embargoed logo on the top sheet. The Town Clerk, the Mayor and Councillors will convene a meeting to decide on a course of action should any media break the Council's stated embargo.

Press Conferences: Can be convened in the event of a major incident or an emergency in the town. Any press conferences held need to be pre-planned so that press statements can be prepared. All press conferences should be run to an agreed framework.

Election Years

During an election year, from the issue of the Notice of Election until the day following the election, only the Town Clerk should issue press releases.
