UNAPPROVED

Report to Louth Town Council from The Hubbard's Hills Trust
19th September 2023

The Hubbard's Hills Trust respectfully request that an amount of £49,000 plus the annual increment of CPI be included within the Town Council budget for payment to the Trust, in two instalments in 2024/25.

The full set of accounts that will be presented to LTC is imminent and awaits final approval from the next trust board meeting. This has been delayed due to waiting for the final account to be received in respect of the riverbank work etc. In anticipation of this invoice we expect that it will reduce our bank balance to a nominal figure of about ten thousand pounds. It could be even less than that figure. Therefore, the projected spend will as previously be within the bounds of our existing budget constraints, until we accrue a small surplus of reserve capital for project expenditure.

In respect of a business plan the objective would be financially to catch our breath and see how this next year pans out. The continual vandalism eats away at our yearly allowance any future shortfall may need to be requested from LTC as per the contractual agreement. Other priorities now include the removal of diseased trees as outlined within our last report.

Kind Regards

Andrew Leonard
Chairman of Hubbards Hills Trust

Section 3 – External Auditor's Report and Certificate 2022/23

In respect of

Louth Town Council – LI0231

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

None

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

Councillors not present: Mrs. E. Ballard (EB), J. Drake (JD), H. Filer (HF), D. Hobson (DH), G. E. Horton (GEH) and Mrs. P. F. Watson (PFW).

The Town Clerk Mrs. L. M. Phillips, the Town Clerk's Assistant Miss. S. Chitauo and one member of the public were also present.

P42. Apologies for Absence

Apologies for absence were received from Cllrs Mrs. EB, JD, HF, DH, GEH and Mrs. PFW.

P43. Declarations of Interest / Dispensations

The following declarations of interest were made:

- a. Cllr. Mrs. JMS – Agenda items 4, 5 and 6 as a member of ELDC.
- b. Cllr. MB – Planning applications 2 and 3 as an acquaintance of the applicant.

P44. Minutes

It was **RESOLVED** that the notes of the Planning Committee Meeting held on 8th August 2023 be approved as the minutes.

P45. Applications received by the Local Planning Authority

The Committee considered all planning applications received, including those listed in the schedule (PA/Schedule 08-29-23) and **RESOLVED** as follows:

- a. N/105/01376/23 - Louth Town Council originally objected to this application on 8th August 2023 and after further consideration on 29th August 2023 objected again on the grounds that the proposals were overbearing in terms of height, being much taller than neighbouring properties. As the site is in the conservation area this will have a detrimental effect on the conservation area in general and surrounding listed buildings, negatively impacting the skyline and the view of St. James' Church from the Old Cemetery, resulting in the loss of public visual amenity.
- b. N/105/01539/23 – To object to this application on the grounds of traffic generation, access and highway safety.
- c. N/105/01646/23 – To object to this application on the grounds that the proposed dwelling is overbearing in terms of height and size and it is sited too close to other residential boundaries. Therefore, it will overshadow its neighbours and harm their amenities. The location of the proposed access, being in close proximity to 180b Eastgate, will also have an adverse impact on that property's residents.
- d. N/105/00925/23 – To object to this application on the grounds that the proposals are overbearing for the size of the site. The Council were concerned about the layout and density of buildings and felt that the egress was dangerous, having a very poor visual splay due to the line of parked cars, always present, on the side of Upgate and effectively making a double crossroads on Upgate, being located opposite Quarryside and next to an existing extremely busy traffic light controlled crossroads.
- e. To support all other applications.

Our Ref	Author-ity	Application No	Type	Applicant	Proposal	Location / Ward	Conservation Area?	Previous LTC Comments	Planning Working Group Comments	Expiry Date for LTC Comments
1	ELDC	N/105 00685/23	Planning Permission	Mr. C. Fairburn	Erection of 34no. dwellings and associated garages, construction of a vehicular access, pedestrian access and ramp, provision of an attenuation pond and associated landscaping. Amendment - Amended layout plan, site section drawings, acoustic report and Construction Management Plan received.	Land West of Playing Fields, Monks Dyke Road, Louth - Priory Ward	No	Louth Town Council objected to this application on 23rd May 2023 on the grounds of Overbearing Nature of Proposal, Traffic generation, Access and Highway Safety, Loss of Ecological Habitats. The Council is concerned that 34 dwellings on this small site is too many and that the proposal is therefore overbearing and in turn will generate a huge amount of new traffic on Monks Dyke Road where there are already problems. It feels that the access to this site, onto a very busy road, where on street parking is prolific and limits the space available for moving vehicles to manoeuvre in, whilst also being located on a very bad bend is extremely dangerous and could lead to issues for both vehicles and the many pedestrians, especially children who pass along the road daily on their way to and from the three schools which are in very close proximity. Finally, the site is diverse in wildlife, flora and fauna and the Council was concerned that this would be lost at the environments detriment.	Object, as previously. Plus: Access road a single track unmade road, increase of possibly up to 60 vehicles coming on to busy road on bad bend and near 4 schools. The site has been fully cleared of vegetation and trees already despite no planning consent. Also have had fires, which have affected neighbours with heavy smoke and ash debris. Site still over-intensified with 34 properties. Noise survey conducted over two days on the Bank Holiday weekend which may not be representative of normal noise. The plans are considered to not be a viable affordable housing site so needs play amenities and 30% affordable housing.	22/09/2023

Support as previously but would like to note comments of Lincolnshire Heritage and Civic Trust regarding the design and appearance of the proposed security gate which is not in keeping with this part of the Conservation Area. It would be better if it were in a more traditional style.	20/09/2023
