YOUR TOWN COUNCIL

Louth Town Council's main responsibility is the running, upkeep and maintenance of the Cemetery at London Road and its burial records, which date back to 1855. The Cemetery encompasses an area of over 18 acres and includes areas for the burial of cremated remains and traditional interments. It has two chapels, one of which the St. Athelheard's Greek Orthodox Church call home.

Between March 2025 and March 2026 there were 34 burials and 30 cremations. Almost all graves are dug by hand, which can be extremely hard work in the clay which characterises most of the land except that at the top of the site which is predominantly chalk.

Throughout the year, the Cemetery facilitates the Community Payback Team on a weekly basis. The members of this team change periodically but all repay their debt to society by carrying out minor maintenance jobs such as emptying the bins, litter picking and weed clearance.

London Road Cemetery

Louth Town Council provides various bins, benches and notice boards in the Town and owns and is responsible for the upkeep of the 7 wonderful handcrafted wooden town signs which mark the entrances to the Town. A local contractor was commissioned to clean and refresh the signs in March 2025 and further work to touch up paint work is being investigated.

Hanging basket at The Sessions House

Amongst other things, the Council is responsible for providing Allotments and owns sites at London Road and Mount Olivet along with Trinity after finalising the £30,000 purchase of the site in April 2025. All of these sites are managed for the Council by the Louth Cottage Garden and Allotments Association, which also own the site located on Charles Street. Louth Town Council also undertake the cutting of the amenity grass verges around the town which amount to an area of approx. 68,966m².

It owns the planters located around the town and each year purchases plants to adorn the Town Centre. Councillors have historically planted these up and maintained them year-round but in 2025 the Council approached Inspire Community Activities to undertake the work. In summer 2025, Louth Town Council sought to develop planting in the town further, opting to purchase

hanging baskets and flowers for donation to businesses in the town to create bright floral displays in the town centre. The project was a success and is to continue in the summer of 2026. The Council has also taken steps to protect an endangered species of orchid that has been found blooming in areas around the town.

Unfortunately, the bus shelter owned by the Council on Kenwick Road was badly damaged in March 2025 after an incident with a car. Thankfully, the Council's insurance was able to assist, and a new bus shelter was installed in June 2025. The Council also agreed to contribute towards the resurfacing of the road at Julian Bower, which is jointly owned by residents and the Council.

YOUR TOWN COUNCIL CONTINUED

The Council maintains the War Memorial and arranges the town's annual Remembrance event in conjunction with the Royal British Legion. It gives grant aid to local bodies through its yearly grant giving exercise and it owns, replaces and maintains CCTV cameras within the town centre and supports (with financial contributions) their surveillance which is operated

from Boston with a Viewing Suite at Skegness and a third facility installed at Mablethorpe. Furthermore, the Council recognises that a safe environment makes for a happy environment and therefore, it maintains a good relationship with the local police. It also owns three interactive speed signs which it places around the town in locations as approved by LCC to deter speeding. It is also a consultee and is consulted on a range of other issues such as highways, schools, policing and planning policy for the town.

It owns the site currently used for an Astro Turf pitch at London Road, which is managed by the London Road Sports Partnership. Louth Town Council once again awarded the annual sum of £20,000 to the London Road Sports Partnership to contribute towards the running costs and maintenance of the site so that it can continue to be enjoyed by all ages. It also owns the land on which

the Louth Athletics Association's Club House is erected on, as well as other land in the vicinity which is rented out for use as grazing land, and the Old Mill House which is privately leased.

The Town Council acts on behalf of Louth residents in local matters which might involve highways, community transport schemes, parking and crime prevention, etc. It provides a stepping stone to District and County Councils and gives advice on who does what and how to access officers. It works closely with many organisations in the town such as, the Louth Town Action Group, Louth Lions, Louth Rotary, the Community Pay Back Team, Louth Museum, the Team Parish of

Louth War Memorial during VJ celebrations

Louth, Louth Run for Life, Louth Athletics Club, Hockey Club and Louth Football Club. In May 2025 the Town Council purchased a street-hoover to be used by local groups, such as the Louth Town Action Group and in February 2026 resolved to assist the Louth Lions in organising the 2026 Christmas Market.

Knitted Nutcracker bollard cover

It arranges and finances the replacement and erection of the town's Christmas Lights and Christmas Crib, as well as organising the towns Festive Window Competition, which saw 25 entries from local businesses lighting up Louth's town centre. As per tradition, the Mayor, Cllr. Darren Hobson chose this year's Christmas tree which was kindly donated by Strawsons. The Council also commissioned 17 new festive-themed bollard covers, knitted by local group Crafty

Knitters, which are to be used interchangeably throughout the coming years.

YOUR TOWN COUNCIL CONTINUED

The Council completed its first year of managing Hubbard's Hills, with its priority focusing on ensuring that the area is safe and enjoyable for all to use. In doing so, the Council has completed a plethora of works in the Hills throughout the year, some of which include reseating

The newly cleaned Pahaud Memorial

the stepping stones; cleaning the Pahaud Memorial, bins and signs; removing several fallen trees; installing a new bridge; repairing the fences; repairs and maintenance to the toilets and planting of memorial trees. The Council also secured £1,000 Pride in Place grant funding from East Lindsey District Council towards new signage in the Hills, which is due to be installed in 2026. The Council once again granted use of Hubbard's Hills to the Louth Lions for their annual Duck Race, bringing residents and visitors of all ages together for a fun filled family day.

In addition, the Council also created a Community Emergency plan in partnership with Lincolnshire County Council to ensure Louth Town Council is prepared to serve all those in need in case of a town-wide emergency.

In 2025 the Council was accredited with the Bronze Award under the Local Council Award Scheme (LCAS), which is run by the National Association of Local Councils. This provides a structured framework for all councils to assess their performance, enhance their operations and identify areas for development. Receiving the Bronze Award demonstrates that the council achieves good practices in governance, community engagement and council improvement. Furthermore, the award shows that the council has gone above and beyond its legal obligations and continuously seeks opportunities for additional improvement and development. With the groundwork laid the Council can begin to build on that to improve further and achieve awards at higher levels, which will require a percentage of its members to be elected.

Christmas in the Town Centre

The Sessions House is an important asset to the Council. Not only is it the office of the Council, but it also houses Brown's Panorama as well as many other art works and object d'art and is the site in which the Council's meetings are held. A building survey of the Sessions House highlighted necessary works to be undertaken to keep the building in good condition. In 2025/26 work began by a local firm who have completed works to the roof, paintwork, men's and women's toilets, external doors, gutters and pipes, brickwork, courtroom, kitchen and first floor, with further work to be scheduled.

In March 2025 the Council was approached by a member of the public asking if the Council would consider taking ownership of and install a play park on the land off Park Avenue. After much careful deliberation and discussion with members of the public who formed the Friends of Park Avenue Play Park Charity, the Council agreed in March 2026 to begin proceedings to take ownership of the land, to be leased to the charity who will maintain and develop the land for the play park, which the Council felt was a much needed addition to the town.

INTO 2026/27

In 2025/26 the Council resolved to continue to work towards the goals set out in its Action Plan, which will be a ‘live’ document and which by necessity will change but it will aim to provide Louth residents with a clear understanding of the Council's priorities and objectives for the coming Council year. Whilst some of the key issues facing the town are areas not directly under the control of the Council, it will seek to use its influence to ensure that other providers also respond to the needs and aspirations of Louth’s residents, as the Council’s main aim is to improve the quality of life for the town’s residents and develop the local economy. As such, below is a list of actions that the Council is expected to meet over the year:

- Engage with residents to better understand the community’s needs, and to consider how to best address these needs within its available resources and powers.
- Promote all things positive and look for prospective solutions to any issues to enhance the town.
- Provide good quality, cost-effective services to help meet the needs and wishes of residents.
- Make Louth a place of pride by promoting a clean, bright, attractive and safe environment in keeping with the town’s traditions and sustainable development goals.
- Encourage and assist other bodies, voluntary organisations and partners to provide services that support the above.
- Promote the best interests of the town for the betterment of the local community.
- Lobby, consult and improve links with and listen to comments received from other statutory bodies, voluntary organisations and individuals to improve standards of service.
- Work with partners to create and sustain a socially inclusive and caring community.
- Champion the provision of sufficient and suitable affordable homes for the people of Louth.
- Safeguard the environment in and around Louth from inappropriate development to maintain it for future generations.
- Create a healthy positive community helping residents to have access to social, recreational and cultural facilities in the town.
- Work with others to protect the town and its residents from the impact of environmental change, including climate change.
- Ensure that the Town Council is efficient, skilled and uses innovative ways, within its powers, to provide services in the most efficient and effective way.
- Improve the corporate image of the Council and promote democracy using social media and undertaking surveys.
- Lobby to improve strategic traffic management and road infrastructure.
- Ensure that there is transparent information about payments, audit documents, budget and precept available which complies with the law.

Flowers at the Sessions House

Trinity Allotments

INTO 2026/27 CONTINUED

- Ensure that all governing documents, policies and procedures are up to date and reviewed regularly
- Continue to provide burials at Louth Cemetery and undertake headstone safety testing.
- Continue to ensure assets are insured appropriately.
