REMOTE MEETINGS

Your personal data – what is it?

“Personal data” is any information about a living individual which allows them to be identified from that data (for example a name, photographs, videos, email address, or address). Identification can be directly using the data itself or by combining it with other information which helps to identify a living individual (e.g. a list of staff may contain personnel ID numbers rather than names but if you use a separate list of the ID numbers which give the corresponding names to identify the staff in the first list then the first list will also be treated as personal data). The processing of personal data is governed by legislation relating to personal data which applies in the United Kingdom including the General Data Protection Regulation (the “GDPR) and other legislation relating to personal data and rights such as the Human Rights Act.

Who are we?

This Remote Meetings Privacy Notice is provided to you by the Louth Town Council which is the data controller for your data.

Remote Meetings and the Recording of Meetings

Louth Town Council started holding remote meetings in May 2020 as part of its range of measures to ensure it complies with Regulations made under The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020.

During the Coronavirus pandemic, the Government has temporarily removed the legal requirement for local authorities to hold public meetings in person. This means that councils have new powers to hold public meetings virtually by using video or telephone conferencing technology. Such decision making meetings must be accessible by the public and to facilitate this Louth Town Council holds its remote meetings using the video conferencing platform Zoom.

Louth Town Council record the Zoom virtual meetings onto local hardware – the recordings are not held by any third party.

Members of the public are entitled to speak during the Public Forum (held before the meeting) on agenda items and can join the meeting either by using the details included on the agenda or by contacting the Town Clerk at least 2 hours before the meeting for an invitation. Members of the public wishing to speak are also politely requested to register their intention with the Town Clerk before the meeting.

The audio and, where practicable, the video recording of any meeting (including that of any member of the public joining the meeting) can be made available to any member of the public up to the date when the minutes of that meeting are agreed as correct at the relevant Committee / Council Meeting.
